

MAP ACADEMY

## 2020 Summer Studio

July 14, 2020 through August 13, 2020

Tuesdays, Wednesdays, and Thursdays

10:00 am to 4:00 pm

Map Academy is excited to offer appointment-based, in person Summer Studio for all current Map Academy students who want to continue making personal and academic progress. Although transportation is not provided, students can schedule individualized times to come in and meet with staff. Remote learning will also continue as an option for all students, using our Virtual Learning Center: <https://themapacademy.org/virtual-student-center/>. We have gone to great lengths to create a plan to safely begin offering in-person services in compliance with all public health regulations and look forward to beginning to welcome our students back this summer.

Safety protocols--including hand-washing, masks, social distancing and symptom checks-- will be necessary for in person attendance. If you are feeling ill, we ask that you please stay home and take advantage of our remote learning options.
