2024-2025 Board Goals

1. By January 2025, identify topics and timeline for ongoing future board trainings.
2. In partnership and alignment with school leaders, develop and implement a scope of work for the board's Finance Committee centered on the school's long-term capital planning needs.
3. At least quarterly, monitor measures of student success, in the aggregate and broken down by subgroup (e.g., race, gender, special needs, English learner, other subgroups meaningful for Map Academy population), thereby growing understanding of student progress based on data.
4. Each member of the Map Academy Board of Trustees will fulfill school-related, community-related, and board-related functions articulated in the board member job description.
