SY25-26 Board Goals

1. Embed training – specific to Map Academy and/or to charter governance more broadly – in at least 3 board meetings during SY 25-26.
2. In partnership and alignment with school leaders, develop and begin to implement a longer-range project for the board centered on the school's long-term capital planning needs.
3. At least quarterly, monitor measures of student success, in the aggregate and broken down by subgroup (e.g., race, gender, special needs, English learner, other subgroups meaningful for Map Academy population), thereby growing understanding of student progress based on data.
4. Each member of the Map Academy Board of Trustees will fulfill school-related, community-related, and board-related functions articulated in the board member job description.
